

## MANAGEMENT SOLUTIONS SUITED TO YOUR NEEDS

- Third party recovery agency for motor vehicle accidents that are not your fault.
- No need to lose your No Claim Bonus with your insurance company.
- Why pay an excess and wait for re-imburement.
- One Quote System.
- Your choice of a repairer.
- Solicitor referral if required.

## THIS IS HOW RRR CAN HELP YOU

A full recovery means there will be no cost to you. No Win - No Fee.

Your choice of Panel Beater.

In regard to hire car claims and loss of earnings these expenses may only be claimed if substed by documentary evidence. Hire car expenses need to be proved that car repairs were commenced and completed without delay.

Signing the accident information sheet will allow and authorise us to act for you on your behalf to seek to recover the cost of your repairs to your vehicle. Our aim is to recover the cost of the repairs from the party that hit you as quick as possible.

If you have any queries; before you sign the accident information form ring Maryanne Chamberlain on 9584 8722.

Once authorisation has been signed over, it's in your best interests not to enter into any type of negotiations or discussions with the other party. This is my best advice. This will hinder recovery of money owed and jeopardise any action taken by us or on your behalf.

Please refer all contact from third party or their insurance company immediately to the number below.
